Happy Easter!

Commodore's Report

Bob Bollinger

Spring is finally here! The water is back on! It's time to think about your boat again! At this time I do apologize for the inconvenience that the dock reconfiguration is causing many of our members, please bear with us, your assistance will be greatly appreciated. The more help we get from the mooring members, the easier it will be to get this job done in a timely manner and well before NYC's Sailpast and the official opening day of boating, Sunday May 6th.

On behalf of the executive, I would like to thank the planning committee, dock crews and especially Terry Waters for all their hard work and dedication that has gone into the planning and execution of this project. I know it looks like a big puzzle now that it's all torn apart, but in the end it will most certainly will be worth all the hard work that has gone into this project. Thanks again.

The new and much improved NYC website should be up and running by the time you get this Logline. It will be much more user friendly, with lots of links to other sites and webcams etc. It will cover specific events such as SIN weekend, where entrants will be able to register and pay on-line and results will be posted within hours of the last race of each day. In general, individual organizers will be able to

Dock Re-alignment J & K

Well construction has started with the awarding of the pile contract and the preliminary movement of fingers . Thanks to all those boat owners for moving their boats so quickly and on such short notice.

We are basically on schedule and on budget at this time. Pile driving is to start on April 09 with the first half of the work completed the following week (barring any major problems) in getting the piles in place.

The first two days following that or up to that time will see boats moved back and the boats removed from E,F,G & H docks . We will be starting with H, G and F docks and working our way out of the moorage to the area between E & F and finally to the north side of E and part of D dock. Rusty will be contacting members affected and the time they are required to move. We have arranged for extra slips at Stones and the Inner Harbor and Rusty will direct traffic to these areas.

enter information about club events. Thanks, Elaine Wade, for all your time spent making this happen.

The Yearbook is nearing completion and again it's always a much anticipated mystery as to it's contents! A lot of work goes into putting this publication together, from sorting through all the pictures, to selling the advertising— well done.

Easter will soon be upon us and the BIG bunny is sure to be out of hibernation. Did you know that he spends the winters on Newcastle Island? The Nanaimo Yacht Club is again holding its annual giant Easter egg hunt there and I am sure the children will meet up with him. Sandy Noble is organizing this event, and if last year was any indication of what to expect, this year will be bigger and better than ever. Please join in for this wonderful opportunity to be with your families.

The organizing of SIN Regatta on the July 1st long weekend is well under way and is now officially to be named the "Nanaimo Yacht Club Regatta Weekend" It sounds like Basil and his committees have this event well in hand. You can check it out on the new NYC website.

It is expected that all work will be completed by Sail-past.

The dock crews and electrical crews are working full time in order to get this done quickly so say thank you when you see them . Great work Guys, not sure how this could be accomplished with out your efforts.

Clubhouse

Many of our clubhouse group have been working on the dock crew and now that Ralph is back work will begin shortly on some of the projects scheduled for this year.

Technical committee – The new web site will be up and running the first of April. However, much of the information still needs to be input and we will be requesting all committees to prepare their committee information for posting on the web site.

Members should visit the site. It is going to be much better and up-to-date including our own facebook page for interaction with the club.

Also, the new business system is about to be put in place and will parallel the old system to insure it all works.

The Nanaimo Yacht Club hosted the Vancouver Island All Commodores meeting last Saturday, as we are probably the most centrally located club on Vancouver Island, and the response was outstanding, with some eleven clubs being represented. Most of the day was spent discussing like-minded topics such as Sailing programs, reciprocal moorage issues etc. After the formal meeting, Mayor John Rut-tan and PC Bill Wilson gave us short reports on what's happening on our waterfront and what Nanaimo has to offer for visiting boaters. PC Basil Hobbs brought everybody up to speed on the Nanaimo Yacht Club's regatta weekend. While this took place, the spouses were treated to a walkabout tour of Nanaimo's downtown, with stops at the Museum and the Lighthouse Bistro. The day ended with everyone meeting at the Dingy Dock Pub. Thanks to all who helped make this happen, especially Terri-Lynn Campbell, Helen Randall, Linda Manarin, Patricia Huntsman, Shirley Maudie and Dorothy Bollinger.

Well, that's it for this month. Be sure to read about NYC's good news on the next page!

Keep Dreaming.

NYC Wins International Yacht Club Award!

Exciting news! This week we were notified that NYC has won an award from the International Yacht Club Association (IYCA). We are one of only 10 recipients world-wide to receive this honour.

NYC was chosen due to all of our outstanding programs and community involvement. These include our sail training program, the community Easter Egg Hunt, SIN regatta, visitor hospitality, our beautiful docks and clubhouse. Our promotion of yachting in BC has been recognized around the world.

This award comes with a significant monetary endowment which we will use to continue our promo-

tion of yachting in local waters.

Since we were only just notified of the honour this week, there are still many details to be worked out. For example, our Commodore will likely travel to Lagos for the reception at IYCA headquarters to receive NYC's award in person.

Obviously this is very exciting news. We have included the actual notification email we received this week on page 7 so that you can share in the excitement.

Rear Commodore's Report

Dick MacLennan

My apologies as the last report was missed while Sue and I were on vacation in Hawaii.

Since my return, the dock re-configuration, dock assembly and repairs are going ahead at full swing. Bob Bollinger and Dave Maudie have been overseeing the operation. Terry Waters and his assistants have this well under control. The dock crew is doing an amazing job forging ahead in some very poor weather conditions.

Office staff are preparing the billing at this time and will be mailing out shortly the new hydro charges etc. attached. Feel free to call me if you have any questions.

Our next task will be assigning back the moorage when the re-configuration is completed. The moorage allocation committee meets on the second Tuesday of each month and would be happy to discuss any problems you may have relating to this subject. I would like to bring to your attention the vessel movement sheets that are at the head of the main ramp and in the office. See Rusty to sign out your vessel, this will be a great help. Thank you.

p.s. just a reminder the Easter bunny is coming soon!!!!

BAR

We are currently looking into having our lounge open again this summer for the months of July and August. We are hoping to have the same hours of operation as last year, Thursday, Friday and Saturday. Look for updated information in the June Logline.

you enjoy reading it as much as we enjoy making it. Watch closely for the date available for pick up, usually in the 3rd or 4th week of April.

PUBLICITY

Look for NYC input in the "101 Things To Do In Nanaimo" magazine and also in the Spring and Fall Chamber of Commerce magazine.

ENTERTAINMENT

Pub Night on March 17th was a great success – thanks to the Wellington School Jazz Band for their great entertainment, Livewire Catering for a wonderful Spaghetti Dinner, and to all the NYC members who attended this event.

YEARBOOK

Attention all NYC members, your 2012 Yearbook is close to completion and as mentioned at the last General Meeting it is **your responsibility to pick up your copy of this wonderful book**. We hope that

Fleet Captain's Report

Terri-Lynn Campbell

It is coming...May 6th...Sailpast. This is the official opening of the 2012 boating season for NYC. Are you ready?

On Friday May 4th our junior committee has rented the deep end of Beban Pool from 7-8 pm for a Family Safety Equipment & Training activity. Come with your lifejackets and jump in. Does the jacket still fit the child? Is the child confident? Try the throwing rings and lines. See how difficult it is to climb into the dingy in your jacket. These are important exercises towards preparing the family for safe outings. Usually after children have a point of reference the conversation is opened and your safety plan has some meaning to everybody on-board your boat. Everybody is welcome.

Now that your crew is ready, bring them out on Sunday for Sailpast. The ceremonies begin at 1300 hrs with the cruise and salute to Commodore Bollinger at 1400 hrs. This day is capped off with a meal and fellowship in the hall. It truly is a day we celebrate

our club and recreation.

Last month I mentioned we are moving our outstation in Pender Harbour to Fisherman's Resort and Marina. Our host, David Pritchard, would like our sailing members to know that Garden Bay Sailing Club has a fun around the cans race every Saturday with a noon start. This event is open to visitors and is free. There is also a Malaspina Regatta on the first Saturday in July with the after-race party at Fisherman's. Email is ... fishermans@dcnet.ca.

Unfortunately this last event coincides with our own Snake Island Nanaimo (SIN) Regatta. The committee has gone viral this year posting on YouTube, just search SIN Regatta to view their work. This event includes every member of our club choosing to participate. It exposes our club both locally and now internationally. Power-boaters provide mark placement, guest hosting and photo ops. Others are hosts and hostesses to the many guests that weekend providing both security and assistance on the docks and in the clubhouse. We all know how nice it is to talk with local club members when we are out cruising. So mark the weekend of June 30-July 2 on your calendars, the sign up sheets will soon be posted in the clubhouse.

Cruising Committee Report

Dorothy Bollinger

Don't forget to bring your family and friends over to the Easter Egg Hunt on Newcastle Island for a fun Easter Sunday. Our Easter Bunny will be there handing out treats and of course the Grand Easter Egg Hunt for all the kids starting at 12 o'clock noon. Coffee, hot chocolate and Tim Horton Timbits for everyone to enjoy. Come over in your boat or on the Ferry-- departing from Maffeo Sutton Park Dock starting at 10 a.m. Children 12 & under ride free. Sandy Noble has done a great job at organizing this event for your family, friends and any Nanaimo families who would like to join us for this fun day on the island. May the sun shine.

Start your motors and set your sails for the Dinner Cruise to Silva Bay- weekend of June 8/9th for a Hawaiian Luau. **Please reserve your moorage by calling Silva Bay Marina at 250-247-8662 ext. 8** and tell them you are with the NYC group as they want to know as soon as possible. Signup sheets are downstairs in the clubhouse, along with the itinerary.

Signing off now, and I hope to see you on Easter Sunday, and at the upcoming events - Sailpast May 6th. Departure Bay Family Sailing Day May 27th and the cruise to Silva Bay Marina June 8/9th.

NYC SAILPAST 2012

Sunday, May 6th

The Sailpast opening day ushers in the official start of the boating season, and is also your opportunity to salute our current Commodore, Bob Bollinger.

NYC Sailpast Rules:

- If you like to dress in blue blazer and white slacks or skirt - please do so.
- If you are more comfortable in your usual sailing gear, please wear that.
- If you like to dress your boat with signal flags, that will really brighten up the day.
- If you do not have any flags, that is fine too.
- As you pass the Commodore's vessel, salute or wave in any way you see fit.

There will be no judging, we will let you be the judge of your own boat.

Sailpast Ceremony Schedule:

1245 Officers gather in hall.

1300 Officers parade to gate for ceremonies.

1315 Welcoming address, Commodore introduces guests. Flag raising.

1400 Boats rendezvous as directed by Parade Marshal.

1430 Sailpast gets underway.

1600 Gather in clubhouse for food and drink.

Full ceremony and Sailpast instructions for those participating will be available in the clubhouse on Sailpast day.

Let's have a really good turnout this year. It would be great to see the harbour full of boats milling about. Bring the family, come out and let's enjoy the day together!

Summer Caretakers

Nanaimo Yacht Club is now accepting applications for two, part-time "Summer Caretaker" positions. Work will include janitorial duties as well as require basic computer skills and good public relations skills in dealing with summer visitors. Basic boat knowledge and boating skills including a PCOC card would be an asset. Each position involves approximately 25 hours of work per week with afternoon and evening shifts.

The deadline for applications is 1600 hours, Saturday April 21, 2012

Apply by submitting your resume to:
Dave Maudie, Vice-Commodore
