Commodore's Report

Bob Bollinger

It's hard to believe that Sailpast was almost a month ago! Wow! and what a day with picture perfect weather, that included light south-east winds. It was a very successful NYC event with some 60 boats of all shapes and sizes including, Gary Noble's very nicely decorated rowing skiff, two mystery kayaks, the Loyal Nanaimo Bathtub Societies Big Bathtub, the Harbour Watch Patrol Boat, the Nanaimo Marine Rescue's, "J.C. McGregor" and the Nanaimo Port Authority. I was very proud to salute these skippers, their families and friends. It was truly quite a display of colour In our Harbour, all at the same time. There was a rumour flying around later that day, that someone's vessel had touched down! Its all a bit hazy now. Thank you to all of you, for getting your boats ready to go, and to all that helped make this, our clubs very special day, WELL DONE.

The nominating committee has been formed to select and canvass for next years executive. The members are: PC Bill Maluish "chair", PC Bill Wilson, Bob Hoffstrom, Ron Campsall and Gary Ford. This committee is in charge of finding suitable club members, to let there names stand on the Executive, going forward into 2013 and then proposing these nominations to the general membership. If anyone is interested in serving, please contact anyone on the nominating committee.

On May 18th, PC Brenda Thompson and I, had the pleasure of presenting, a limited edition lithograph "The SIN's of NEWCASTLE" by artist Cim MacDonald, painted in about 1999, to the Nanaimo Museum's Curator David Hill-Turner. This is an addition, to the NYC display that was started last year, when the Queens Cup was first put on display, along with the other heritage pictures depicting our origin.

At the April executive meeting, a motion was passed, to also recognize 30&40 year plus members. I will be contacting these members ,in the next few days, and the pins will be presented to them at the June 14th General Meeting. I would like to congratulate Steve Cowie for becoming our most recent 50 year member, receiving his pin at the last General Meeting.

Vice Commodore's Report

Dave Maudie

Dock realignment With all the construction now complete including the new break water along the sailing platforms and with cleanup of K – dock on first week of June we will finally be back to normal. Once again thanks to all who helped.

Volunteer recognition dinner We served about 100 hot burgers and much salad etc to all our volunteers. A hearty thanks to all the executive that

helped prepare, cook and cleaned up. For volunteers who were unable to make the date we send a special thanks for all the work you do and hope you will be able to attend next year.

Security The June 14 2012 RCMP presentation for our General meeting has been CANCELLED and will be rescheduled for the fall meetings. If you would be interested in a flare or fire extinguisher handling seminar please let myself, Doug Bell or any of the security members know. If there is enough interest we will try to have a program set up.

Bar Renovations Have been suspended temporarily as the planning committee reviews this as well as other options for our clubhouse.

(Continued from page 1)

As was announced in last month's Logline, the new NYC website is up and running, check it out. There are also more links to other sites, and events that are happening in our community this summer. Check out the sailing program with application forms online. Also SIN Weekend, now the Nanaimo Regatta Weekend. Carol Shaw, our office assistance will now be assisting Elaine Wade, updating the website to make it easier for club members to add items, such as pictures and posters etc., and it can be done right at the office.

Dorothy and I had the distinct pleasure of representing our club, at various other clubs sailpast last month, including Maple Bay Yacht Club, Royal Vancouver Yacht Club and the Silva Bay Yacht Club. These clubs vary in membership and amenities, but all have a common goal, have fun and promote boating. One thing that always seems to be foremost on everybody's mind regarding Nanaimo, was our beautiful harbour and the friendly people at the NYC.

One of my pet peeves at the club, is the amount of boats that don't fly the NYC burgee, or have burgees that are so faded and torn that you can't identify them. Please try and make an effort to do so, as we are first and foremost, a Club, not just a moorage facility.

PC Basil Hobbs and the Nanaimo Regatta Weekend Committee, are well underway with preparations for NYC's Premier SIN Sailing Event, and starts off with a dock party on Friday night June 29th., to which all club members and families are most welcome. I'm sure we will rock the Harbour. Then on Saturday the racing starts with the firing of very old, super loud cannon in the inner Harbour.

As this is the last Logline until September, please check all of the club events in this issue, starting off with the Silva Bay Dinner Cruise June 8, 9 and 10th. A new event, will be the Nanaimo's Coast Guard Auxiliary, Search & Rescue Olympics, being held at the NYC clubhouse Aug 11th. There will be more information on the Website as soon as the details have been finalized. Also, another new event will be the Commodore's Rendezvous, to the new outstation at Fishermans Resort and Marina in Pender Harbour, and the last big one for the summer is the Interclub Corn Roast on Labour Day Weekend. As you can see, there is lots to do. Dorothy and I, hope to meet up with you, at one or more of these summer boating events, share a drink and some good stories. Have a great summer.

Keep dreaming!

Staff Captain's Report

Pat Grounds

Entertainment Next big events will be NYC Sailing Regatta dock party on Friday June 29th, with good eats, band – all members invited. On Saturday July 21st – Bathtub Barbecue at the club – come and enjoy a burger and watch the fireworks. Look for posters for more details.

Bar Our lounge will be open again this summer starting at 4:00 p.m. on Friday June 22nd. Last day will be Sunday, August 26th. We welcome Valerie Blatt who has agreed to be our Bar-tender again this summer. Val said she will be offering specialty drink nights again – so come on out and support her and the job she does so well.

Yearbook lots of pictures, important information and great sponsors. If you would like your yearbook left on your boat please email me at: ptgrounds@shaw.ca

Publicity Thank you P/C Brenda Thompson for handling the Publicity for the upcoming NYC Sailing Regatta.

Heritage I'd like to acknowledge our Heritage Committee that work so hard, and quietly putting in hours to ensure our club history is documented and kept up to date. Thank you.

Logline This is the last Logline until September. I would like to thank our dedicated Logline Committee (you are the best) for all the nights you came out to make sure our members get this valuable information letter. Also to Gerry Ostle – glad to hear you are home from hospital and we all wish you a speedy recovery.

Thank you Peter and Debra for your countless hours (and years) of work putting the Logline together.

Have a great summer – I wish everyone calm seas and gentle breezes.

YEARBOOKS AVAILABLE AT THE OFFICE

Fleet Captain's Report

Terri-Lynne Campbell

I would like to thank all the following vessels for their participation in a fantastic sailpast.

It was your participation that made it such a great day.

I would like to remind everyone youth sailing school registration is happening. Please don't wait until the classes are full. Our dock party/opening night for SIN is June 29th. Sign up sheets are in the clubhouse but if you are unable to commit come down to K dock and enjoy the band.

NYC Calendar of Events		MEMORIUM
June		<p>On behalf of the Nanaimo Yacht Club Ladies it is with great sadness to announce the passing of Joan North on Wednesday, May 30th. Joan was Yachtswoman of the year in 1992 and was a long standing member of the Nanaimo Yacht Club Ladies who participated in helping with many past NYC social events such as Sailpast. Our heart felt condolences go out to all her family.</p>

Cruising Committee Report

Dorothy Bollinger

Nineteen or more boats will be partaking in the Hawaiian Luau Dinner Cruise to Silva Bay Marine this weekend. There will be live entertainment by R & R, along with good food and just a fun time dressing up your boats and yourselves. Everyone will be judges, with lots of great prizes that you will be able to pick from. The sun will shine for Saturday and Sunday.

Our NYC Dock party is all set to start around 5 pm on Friday June 29th. Canada Day Weekend kicking off the

Nanaimo Snake Island Regatta Weekend (SIN). Please bring your family and come down and enjoy the festivities, meet the racers, and see their sailboats. Hamburgers/Hotdogs and a Special Sin Drink will be served on the dock, along with water, soft drinks and maybe some cake.

Again this year the floating stage will accommodate the Great Jazz Band for everyone to listen and dance to their music, so don't miss it.

We are again cruising south the weekend of Aug. 17th.-19th. to Margaritaville at Saltspring Island Marina, to bask in the sun, listen to music, go out on the town, and shop to you drop as Ganges has lots of

interesting stores and the market. Don't forget your favourite Margarita Drink and your Hula Hoops and Grass Skirts. You may even win a prize.

The Commodore Cruise to NYC out station at Fisherman's Resort & Marina, is set for July 27th,28th. 29th. Plan your summer cruising around these dates, so that you don't miss out on a fun time. Pender Harbour is a great place to get in your tenders and cruise around for hours. There is even a great hilly golf course to get some exercise and lose a ball or two.

Isabel Maluish has the Victoria Inter Harbour Symphony of Splash Aug.3-6th. all organized with some 30 boats from NYC cruising down to Victoria.

You can still make your reservations for the Inter Club Corn Roast Labour Day Weekend at Telegraph Harbour Marine. Any questions please call

Linda Manarin @ 250-751-2500. Please phone for moorage and maybe we can win the Bill Bayliss Trophy two years in a row. The most participation from a Yacht Club, is what wins the trophy.

Please let the Sun shine upon us.

June Race Announcement - Greg Keel

Lohmann Sails and Covers continue their title sponsorship of the Day & A Bit race with an offer of 2 generous grand prizes this year! The grand prize certificates can be exchanged for either a headsail snorkel cover, or a mainsail cover. Have a look around the club and you will see more and more boats fitted with their high-quality covers. Checkout www.Boatcovers.ca for more information on this local company making waves (and covers) all around the Pacific NorthWest!

To entice boats to join the newly created long-format (overnight) Division, one grand prize will be reserved for this Division, and the other grand prize will be awarded to the 2nd Division (2 day races). Continuing with the fun spirit of this race, grand prizes will be randomly drawn from all boats participating in each Division.

Tolly's Last Cruise

On May 11, two Park Rangers installed a commemorative Bench overlooking CHATTERBOX FALLS in Princess Louisa Inlet. The bench is in memory of Robert Merland 'TOLLY' Tollefson, who first visited there in 1938 on a 23 foot wooden cruiser. TOLLY cruised to Louisa More than 50 times before he retired from boating at age 90.

On May 21, 15 Tollycraft Yachts entered the Inlet through Malibu Rapids including Doug Bell's BELL ELAFF from NYC. Two days later a brief ceremony was held on the dock. Jay Hartland from Anacortes gave the eulogy and noted that TOLLY built about

The new overnight Division will leave Nanaimo on the evening of Friday June 22nd. The course for leg #1 will be decided based on the conditions, with a finish the next day outside of Gibsons Landing.

The 2nd Division will leave Nanaimo on Saturday morning (June 23rd), with staggered start times based on each boat's rating. This pursuit style format gives a "compressing accordion effect", with the boats arriving at similar times at the finish line outside of Gibsons. Next comes the dock/boat party in Gibsons, followed by a restaurant meal.

On Sunday morning, both Divisions return to Nanaimo pursuit-style, with the finish line being at the Dinghy Dock Pub. Drinks, snacks and awards wrap-up this fun weekend. This is always a popular race, so please email greg.keel@uniserve.com and indicate which Division you will be joining. Please note this

6000 boats and, with an average of five owners each, TOLLY touched upwards of 30000 boaters. The group of 37 boaters gathered around the bench overlooking the falls while Scott Fultz, a former Tollycraft employee and friend of Tolly for 50 years, spread some of Tolly's ashes from a dinghy into the waters at the base of CHATTERBOX FALLS.

THE Canadian TOLLYCRUISERS sponsored a steak BBQ on the dock followed by a roaring fire in the Pavilion where stories of Tolly were shared. TOLLY has made his final trip to Louisa but his spirit will live on in the mist of Chatterbox Falls for eternity.

To all members of Nanaimo Yacht Club

The Council of BC Yacht Clubs has been closely following the proposal for the development of Squirrel Cove into a marina with numerous mooring buoys. In the same submission there is also an application by the Klahoose First Nation to activate an aquaculture area right in the middle of the passage between the outer and inner coves. Many boaters have reservations as to how all of this will affect a traditional anchorage and safe haven which has been a favorite of many of us over the years. The Council has now set up a website which gives full information about the current proposal for the development of Squirrel Cove, and a number of comments regarding the proposal. It also gives contact information for the authorities who have to approve, or turn down, all or part of the application.

Please have a look at the site as individuals and, if you wish to send comments to the authorities, please go ahead and do so. In addition, please pass the information regarding the website to anyone you think might be interested. We are trying to spread the information as widely as possible. If boaters do not make their views known to the authorities, the proposal may well go through "as is". Please note that the deadline for comment is May 30.

The website can be access at
