Commodore's Report

Pat Grounds

Fall at our Club is in full swing. Dock, Clubhouse, Electrical crews are back hard at work maintaining, repairing and upgrading our facility to keep our Club at a high standard that we the members get to enjoy.

Your Executive have started the 2016/17 budget process, working closely with our main Treasurer Dwight Brett. The Budget is a huge undertaking that takes place every year and takes a minimum of 3 months with many, many meetings to prepare. We are so fortunate to have Dwight (and our 2 other finance committee members, Dave Braithwaite and Barb Wardill) on our Executive – this is all done voluntarily and as I mentioned takes hours and hours of hard work. It is impossible to show our gratitude to our Finance Committee.

We have two new Directors joining the 2016/17 Executive – welcome Leslie Smith and Gilbert Requena.

On a sad note, we lost Chuck Hawtin on September 17th a member since 1998. At the October 13th General Meeting I would like to invite all members who knew Chuck, to gather in the lounge after the General Meeting to share your stories and pay tribute to Chuck. Many of you will remember Chuck for the firing of the cannon at our Sailpasts and SIN Regattas.

Lastly, as many of you are aware, Carol Shaw our Office Administrator is retiring at the end of December after 20 years of service. With Carol's permission, I am organizing a "Country Ho Down" evening on January 28th to celebrate Carols 20 years of service. I am looking for volunteers to help organize this event. If you are interested please call/or email me – we want to make this a fun evening.

The Club web site is at: www.nanaimoyc.ca

email: nyc@nanaimoyc.ca

phone: 250-754-7011 754-0759 after 5:00 pm

Vice Commodore's Report

Rob Wiebe

September was a nice month for some fall cruising, and hopefully the nice weather will continue for a while longer. October is a busy month for our staff and committees including budgets, inventories, billings and safety inspections. You can expect your bi-yearly invoice shortly, and be aware it is payable immediately. Vessel Safety inspections are done for your benefit. Please get yours done on the weekends scheduled or fines will be applied. Just a friendly reminder.

Around the Club, the Clubhouse committee had a fall work party last week that did some necessary maintenance, and cleaned up the grounds. The summer flowers have been cleaned up and winter pansies have been planted. Our Sailing program has wrapped up another successful season. The program continues to mature, and has been a real incentive for young sailors to join our club as Juniors.

Regular membership is currently at 573, with 97 Senior, 38 Juniors and 17 Honorary, Life and Non resident members. At the September Executive meeting 4 new Regular members were approved along with new 5 junior members. Kudos to both the Membership Committee and Sailing Coordinator Jon Rose for generating those impressive numbers.

At the last Executive meeting, a policy on Work Credits was passed. This is a new policy for an old practice, as there was no existing policy. We are somewhat unique in that other Clubs do not use work credits. Work credits are a valuable tool for the

Club, rewarding necessary work that would otherwise be paid at market rates with credits at minimum wage. The policy encourages volunteerism without work credits, as well as donating work without claiming credits. Volunteerism is the heart of our Club and we all enjoy its benefits, both monetarily and socially. The policy will be posted and will be included in the Policy Manual as soon as possible.

I've been selecting the wines for our two annual wine events for many years, and I'm happy to report that my quest to find my replacement has been successful. Sandra Lambert has volunteered to take over this job, and she is working on the wine selection for October's event on the 15th. Thank you to Sandra for taking on this fun duty. I hope we see lots of members out to celebrate the new Executive, and raise a few glasses at the upcoming event.

And, a final note about the Commodore's Ball. The date is November 12th, tickets are \$45 each and they are now on sale. I'm calling the dress 'Look good, dress sharp'. I don't want to call it 'formal' because, well, this is Nanaimo! We're just not formal, but dress your best and have a great evening. The theme for the evening is '85 years of boating on Nanaimo's Waterfront', highlighting the people and boats that have made us the Club we are today. The program includes a professional photographer available before dinner (by donation to the Loaves and Fishes Food Bank), wine and dinner service by Spice of Life Catering and dancing to your favorite tunes to finish off the evening. Tickets sales will continue until Nov 6th, no tickets are available at the door. I hope to see many of you there.

See you around the Club.

General Meeting Dinner

Chicken Pie, coleslaw, rolls,
cookies, coffee

Served 6:00 to 6:45

Come early and start the evening with a meal and conversation.

Cookies & coffee **\$5.00**

Served: 18:00 to 19:00 hrs

NYC office will be emailing the fall invoice to all members who have emails on file and mailing out all others. If you do not receive your invoice please contact the office. Payments can now be made online through your bank. You will also receive a separate email with the Nanaimo Marine Rescue Donation form.

Any questions or to advise of a new email address please contact Laura or Carol @

<nyc@nanaimoyc.ca>

Thank you.

Rear Commodore's Report

Doug Bell

Well that's it for the summer boating season, and I hope everyone had a good one.

Throughout the year, we have been cleaning up the docks - throwing out over 2000 lbs. of junk. Any of the items removed from the docks that we felt that someone would miss, we moved to a holding area in B shed. Unfortunately, only a few items that were moved to this holding area have been claimed. If you had something removed from your dock, please check the pile in B shed, on the first finger on the right and left side. Anything left unclaimed there as of October 31, 2016 will be placed on the free table and listed the NYC online Buy & Sell site to give away.

The Executive received a written complaint regarding members who, for whatever reason, are not up-to-date on their Vessel Inspections, and are not held to the penalties as outlined in the Rules and Regulations.

NYC rules state (C. Safety, 2 Vessel Inspection)

All vessels moored at the Club shall be subject to an inspection during the months of October or November each year. It is each member's responsibility to ensure that his vessel is inspected according to Club

rules. All vessels are required to meet the minimum safety standards set by the Executive Committee. On approval, a safety sticker will be issued and it must be displayed visibly on the vessel.

A notice will be sent to all members having moorage announcing the date(s) the inspection will be held. Members are required to attend on these specific date(s) unless alternative arrangements are made prior to the stated date(s). Any member who fails to comply will be assessed a penalty as per the Fee Schedule and must have his vessel pass a safety inspection at a mutually convenient time within the following 28 days.

Under Rules & Regulations NYC fee schedule (G. Fines and Penalties) it states that missed safety inspection dates will cost you \$25.00 and an additional \$ 50.00/week until the inspection is completed. This fine will be automatically added to your NYC Account.

We will be strictly enforcing those rules.

This year Boat Safety Inspections will be held on:

- * Saturday/Sunday October 29/30
9:00am to 2:00pm
- * Saturday/Sunday November 5/6
9:00am to 2:00pm.

If you have a legitimate reason for not attending during the two weekends above, you must email the rear commodore at rearcommodore@nanaimoyc.ca to make other arrangement in order to avoid the fines.

2016 Boat Safety Inspections

Saturday/Sunday October 29/30
Saturday/Sunday November 5/6
9:00am to 2:00pm

All vessels moored at NYC must be inspected during the weekends above. Inspectors will be available in the clubhouse committee room during these times. NYC does an annual inspection of all the vessels at the Yacht Club.

Vessels must meet the criteria itemized on the safety report to receive the current year safety sticker. Deficiencies found during the inspection must be corrected within two weeks or a \$25 fine will be levied.

One of the most common deficiencies is the service life requirement of fire extinguishers. Take a look at the service tag on the fire extinguisher. It must be serviced every 6 years.

To pass the boat safety inspection and to receive a current safety sticker, all boats moored at the Yacht Club must have a valid copy of the boat insurance policy on file in the Yacht Club defining the policy expiry date, and at least \$1 000 000 liability coverage.

It is the owners' responsibility to attend these inspections, and if missed without proper notification a \$50 fine will be levied. If boat owners cannot be present for inspection during these weekends, please make alternate arrangements for inspection before the inspection weekends.

All vessels must display a valid safety inspection sticker.

Volunteer boat inspectors are greatly appreciated. We guarantee lunch, refreshments, and good company.

Sign up sheets for availability will be posted on the bulletin board at the club and you can contact me at 250 754 4981 or cell 250 618 0468.

Nanaimo Power and Sail Squadron Presents the 2016 Vic-Maui Race

A Perspective from Two Nanaimo Yacht Club Participating Boats

Guest Speakers

George Bishop – Skipper of “Expresso”

A rather unique crew for this boat; included George’s twin daughters, a new son in law, a future son in law, and veteran Vic-Maui racer and NYC member, Jim Philip.

Expresso placed 3rd in Division 3.

The skipper is a veteran of five Van Isle 360’s and several Swiftsures and Southern Straits races. Score three Oregon Offshore adventures as well.

While only one member of the crew had done the Vic-Maui race before, the team had been practicing hard and Ion’s preparation for the event evolved over the past 2 years.

Ion placed 4th in Division 3.

Bill Jones – Skipper of “Ion”

Come and hear about race preparations, compare race strategies and tactics, the impact of tropical storm Darby, daily crisis management, and other on-board details during this approximately 2240 nm event.

Date and Time: **Tuesday October 11 @ 19:00hr. (7pm)**

Location: Nanaimo Yacht Club, 400 Newcastle Avenue, Nanaimo

Admission: There is no charge for this event, and both CPS and Nanaimo Yacht Club members are welcome to attend.

Light refreshments will be served after the presentation.

Announcements

Hello NYC Members

I am interested in forming a fun racing group of our 420 dinghies. No prizes, handicaps, or electronic instruments. Just pure sailing of a small boat around the Nanaimo Harbour on warm days. These are two person boats and crews can be made up of whoever shows up that day. Season is while the floats are in the summer position and the boats are not required for lessons.

September 18 I believe there are 4 boats available as a couple of boats are being used for a lesson. A 9am start might be possible but I am open to suggestions. Show up at the 420 dock.

I don't know how long the floats are staying where they currently are but the floats go back out again in April so the cold weather is easily avoided. If you can't make it then but are interested in the future send me an email.

Cheers Murray Shaw

VI SOUTH CLUB NIGHT A SLOW BOAT TO CANADA

October 18 RVicYC
with Nick Ward

Join Peter McMartin and Connie Morahan on "Cookie Cutter" as they sail through Indonesia from Darwin, Australia to Singapore.

They'll share pictures and stories of diving, Komodo dragons, Bali, ancient temples of central Java, and the orangutans of the Kumai River. Sorry - no pirates!

Connie and Peter have made previous presentations to BCA about areas they cruised in the South Pacific and SE Asia, as well as their passage home from Japan in 2012.

They've cruised the BC coast together for over 20 years, sailed offshore for 10 years from 2002 to 2012, and have been BCA Fleet Coordinators for Vancouver Island for several years

BCA fosters seamanship and friendship for people with an active interest in offshore cruising.

For more info see: www.Bluewatercruising.org
Email: <Nanaimo@bluewatercruising.org>

Location: NANAIMO Yacht Club

Starts at 19:30 but come early for conversation and information

Guests: \$10.00

NOTICE

New Parking Rules & Regulations passed at last month's General Meeting.

1. General Regulations

- (a) The Club is not responsible for the loss of personal property of any members, their family or guests.
 - (b) No personal gear may be stored in the Club building unless permission has been obtained from the Vice Commodore.
 - (c) Vehicles parked outside of designated parking stalls may be towed away at owner's expense. Members shall not park cars at the approaches to the floats except for loading and unloading purposes.
 - (d) The use of the Club parking lot is prohibited for parking while commuting directly to and from member's permanent place of residence, unless special approval is granted by the Executive Committee.
 - (e) No parking will be provided for Non Members without the prior approval of the Vice Commodore.
 - (d) Members will be issued one (1) parking Permit per membership. It is understood that occasionally a member may require two (2) vehicles in the parking lot for a short period of time e.g. 4 hours. Should this occur, the Operational Manager or Assistant must be notified and a temporary Permit supplied and displayed.
 - (e) NYC members and employees may park in any NYC parking stall, either within the gated lots or in the designated stalls just outside the parking lot gate, with the exception of those stalls marked "NYC Flag Officers Only".
 - (f) NYC members' vehicles parked in the NYC parking spaces are required to display the official parking permit of the club. This permit is to be hung on the rear view mirror, with lettering facing outward while parked at the club. If unable to hang permit, it must be in plain view in the center of the dashboard with the lettering facing upward.
 - (g) Parking is not permitted for non-spousal NYC family members and associates vehicles, unless accompanied by the member in that vehicle.
 - (h) Parking is permitted without permit for non members while attending functions directly related to hall activities and by service representatives while performing work for the Club.
 - (i) Contractors parking in NYC lot while working on Club member's boats, must report to the NYC Office to obtain a parking permit. A Special Permit will be issued. This permit is to be hung on the rear view mirror, with lettering facing outward while parking at the club. If unable to hang permit it must be in plain view in the center of the dashboard with the lettering facing upward.
 - (j) Any vehicles found in contravention of these regulations are subject to removal at their owner's expense without further notice.
-

Interclub Corn-Roast

Gabe Fekete

Sea Lily

Once again we are on the downstream of the annual Interclub Corn-roast. This year, like every other year turned out to be a place to have fun, catch up with old friends and meet new ones.

The event was a success, entertainment wise as well as the excellent sunny weather. Saturday was great which started with delicious blueberry pancakes, registering and the beginning of all the games and ended with live entertainment from Johnny Hannah. Whacky Sunday saw the crazy, get soaking wet Poker Rally, the ridiculous Blind Dinghy Race and the always out of this world Duckie Race. What a blast!! We also had board games at the tables all week-end for those that just wanted to take it easy but still be at the heart of the action.

The BBQ dinners also were a hit as all the pot luck items were very diversified and absolutely delicious. Sunday also concluded with plenty of door prizes and \$235 to the 50/50 winner. Monday was going home day after indulging in fresh baked muffins and fresh coffee on the dock. All in all it was an extremely pleasant three days and it seemed that all the participants had a great time. There was a lot of laughing going on and perhaps a bit of imbibing.

The event was such a success for two reasons. The first due to the tremendous amount of help from volunteers who were up for anything and everything that needed to be done.

The second and most important was that everyone who showed up came with a great attitude ready to have fun. The weather was also very co-operative.

I would also like to give a heartfelt thanks to the following local businesses who so graciously contributed to the success of this event.
